

**BREAKING THROUGH**  
CONSULTING

**DISCOVER YOUR PURPOSE. UNLEASH YOUR POTENTIAL. INCREASE YOUR IMPACT.**

Breaking Through Consulting supports, encourages, empowers, and equips individuals and organizations so they can effectively and efficiently embrace and fulfill their purpose.

## YOUR PURPOSE IS OUR PURPOSE

We provide a fresh perspective to help individuals and organizations define their mission, uncover their full potential, and invigorate lives and organizations. Everyone has the power to make change for social good, and that power lies in our purpose.

### OUR DISCOVERY METHOD

Through a unique assessment tool and discovery journey, Breaking Through Consulting helps individuals and organizations break through, advance, and increase their impact by finding, understanding, and activating their purpose. With a defined, common purpose as foundational to every aspect of life and business, people and organizations can thrive not just survive.

### As a result, individuals and organizations will experience:

Fulfillment  
Increased  
Funding

Purposeful Influence,  
Reach and Impact

Growth

*"I wholeheartedly believe that anyone looking for clarity for their journey and calling in life should absolutely utilize the gifts and skill set of Clara. She helped me to draw out my purpose and set up a strategic plan to go after everything my heart desires. After working with her, my vision and confidence were elevated to new heights and I felt equipped to move forward in following my dreams."*

Donna, Iwicki

I am a proud Colombian-American and founder of Breaking Through Consulting. In addition to helping people transform, reach their full potential, and thrive, I have worked as a nonprofit adviser, multicultural project manager, humanitarian, community relations champion, and brand activator for over 20 years. I am passionate about activating people's and organizations' purpose for social good.
